

2005 Stratton Lummis Cabernet Sauvignon, Napa Valley

Stratton Lummis Cabernet Sauvignon comes from the very heart of the Napa Valley. It is a blend of Oakville and Rutherford. Because of the price that we sell this wine, we are not allowed to discuss the name of the primary vineyard. The wine has to do its talking for us. Taste it and tell us if you think there is a better Cabernet Sauvignon for the price.

pH: 3.7

TA: .63

Alc.: 14.7
