

Civello Pinot Gris 2006 California

Pinot Gris is a cousin of Pinot Noir. We wanted to know everything about Pinot Noir so we thought that maybe we would learn something from Pinot Gris. I went to Oregon and Santa Barbara and now Monterey to make it. The wine is stainless steel fermented. It has undergone a malo-lactic fermentation. No oak was used in its making.

Ph 3.5

Ta .62

Alc 13.5

Tasting notes: The aroma is lemon peel and nuts. The taste is crisp, but full. The wine is dry.

Notes: _____
